Payvision wins “Best CNP Program outside the US” Award
At the International Card Not Present (CNP) Expo 2013, in Orlando, Florida

Amsterdam, Netherlands – May 24th, 2013. Payvision, independent Payment Solutions Provider specialized in Global Card Processing for the e-Commerce market, is proud to announce that it has received the Judges Choice Award for “[Best CNP Program outside the US](#)” at this year’s international [Card Not Present Expo 2013](#).

Founded in 2002, with offices around the globe, Payvision makes cross-border e-commerce domestic and profitable, enabling international Payment Service Providers, ISOs and their Merchants to expand their footprint across the different regions by connecting them to one global [Acquiring Network](#). Payvision’s full-service model lies on four pillars: global card processing, sharing expertise, technical innovation and integrated risk management.

“Payvision feels honored to receive this CNP Award, which rewards our efforts and acknowledges our thought leadership! After more than a decade of experience in global CNP processing, we are able to share our knowledge of global Card Payments with the different stakeholders, which together form our Global Payment Network”, says Payvision’s Founder and CEO Rudolf Booker.

The CNP Expo is an annual gathering of the leading companies in the card-not-present space, from the smallest e-commerce websites and technology providers to global retailers and international payment processors. Part of the exhibition, the CNP Awards is an annual event honoring the products and solutions CNP merchants rely on most to increase sales.

CardNotPresent.com Founder & President, Steve Casco, declared: “We’re impressed and happy to see the growth in this year’s Awards, especially in the number of international entries. Overall, nominations have nearly doubled since last year. The CNP Awards are becoming the standard by which companies, programs and services around the world are being recognized and judged now and in the future”.

Payvision gladly shares its expertise and knowledge of the ecommerce market. We have published a series of [global payment Industry Reports](#), which we welcome you to read.
